

PRODUCT DATA SHEET

AC1

SPENDOR

MADE FOR MUSIC. DESIGNED FOR YOU.

The Spendor AC1 is a compact centre channel design. The diminutive cabinet fits easily and inconspicuously into any location. It delivers vocals with captivating clarity. Bass remains tuneful and articulate even when the AC1 is positioned close to a wall. The AC1 is easy to drive and matches all Spendor stereo products.

HIGHLIGHTS

- The proprietary 15cm Spendor EP77 polymer cone mid-bass drive unit mounted in a cast magnesium chassis, helps the AC1 deliver a room filling sound with projection, character and sheer entertainment far beyond its size.
- Consistent sonic results, from any position, with an amplifier friendly design, allows easy partnering within a variety of multi-channel configurations.
- Creates the perfect front left, centre, right channel partnership when matched with A1, A2, A4, Classic 4/5, Classic 3/1 stereo products, in a multi-channel system.
- Designed and Manufactured in the UK
