

PRODUCT DATA SHEET

AW1

SPENDOR

MADE FOR MUSIC. DESIGNED FOR YOU.

The AW1 is a compact on-wall design. The perfectly proportioned cabinet fits easily and unobtrusively onto any wall, with the supplied tilt/swivel bracket. It delivers surround effects with captivating clarity and realism. The AW1 is easy to drive and brings out the best from your AV amplifier. The tilt and swivel bracket allows for +/-18° tilt and 180° swivel, for perfectly fine tuning the listening position.

HIGHLIGHTS

- At 305mm tall and with a cabinet depth of only 186mm (excluding the mounting bracket which adds 75mm) the AW1 closed box design can be positioned on many different sized walls, offering great flexibility.
- With room friendly bass that is taut and controlled, smooth midrange and an extended treble, the AW1 delivers a big, full-bodied sound for its size. This also allows the AW1 to be used for front left, centre, right channel duties as well as being a perfect surround loudspeaker.
- Spendor's proprietary 15cm EP77 polymer mid-bass cone produces a natural sound that is free from colouration and allows excellent detail to be heard at low and higher playing volumes.
- Creates the perfect partnership when matched with A1, A2, Classic 4/5, Classic 3/1 stereo products and any of the Spendor centre channel products.
- Designed and Manufactured in the UK
